

## 2025 ASIAN Conference On Communication And Networks

📅 21-23 December, 2025

📍 Zarqa University, Jordan

The theme of ASIANComNet 2025 is " FIRE-Futuristic Innovation for Rural Empowerment. " The conference aims to serve as a platform for researchers, academia, and industry to share their knowledge across various Electrical and Computer Science disciplines. Additionally, ASIANComNet will provide a new forum for world-class researchers to come together and share their research achievements, ideas, and the progress needed to tackle future challenges in the field of Information Communications. The conference will be held in Zarqa University, Zarqa a beautiful city in the Jordan's Zarqa Governorate.

The conference is technically co-sponsored by the IEEE, IEEE Jordan Section and IEEE Communications Society, Jordan (Approval Pending). All accepted and presented papers will be included in the proceedings published by IEEE, indexed in IEEE Xplore, and submitted to EI and Scopus for indexing.

### TOPICS

- Mobile computing, communications, 5G and beyond
- IoT and applications
- Privacy, Security for Networks
- Dedicated Technologies for Wireless Networks
- Emerging Trends of AI/ML
- Signal Processing for Wireless Communications
- Pattern Recognition, Computer Vision and Image Processing
- Communication and Networking Technologies for Smart Agriculture
